3 prompts (always edit outputs)

1) Skill to offer shortlist

I can do: [skills]. Hours/week [X], budget \$[B], prefer [freelance/digital/local/content]. List 8 offers sellable in 30 days with buyer, problem, format, price band, risk. Rank by speed-to-first-sale. No income promises.

2) Listing draft

Listing for "[product]" at \$[price] for "[audience]": title (<=70), subtitle, 6 benefit bullets, what's included, for/not for, how-to-use. Clear tone. No hype. No income promises.

3) Outreach opener

5 messages (<=90 words) offering "[service]" to "[audience]" in "[city/platform]". Observation placeholder, clear offer, low-friction CTA, polite close. No fake scarcity.

Full kit: 25 prompts. Always edit before publish/send.

Week-1 highlights (Days 1-7)

Day 1: Write constraints (hours, budget, skills, location).

Day 2: Star 3-5 ideas from the sample bank that fit.

Day 3: Run skill-to-offer prompt; cut to 5 candidates.

Day 4: Narrow to 3 finalists with rough price + format.

Day 5: Pick one primary offer; write scope + exclusions.

Day 6: Draft listing (prompt #2); edit by hand.

Day 7: Prep 5 personalized outreach openers; review the week.

Full kit: complete 90-day week-by-week plan.
